

Colon Cancer

All of the packets I'm sending are designed to be given to treating physicians initially, in order to hopefully get a letter supporting the Cancer as an "Occupational Cancer". The final document on the list (NAWCJ) below is highly important if the claim is denied and goes through the appeals process.

When you print them out, please put them in the following order

1. DR Guide -Overview
- 2.Colon PDF- IARC Cancer Study
3. CHEMICAL LIST- List products of combustion during fire, overhaul an those found in exhaust
4. Cancer Risks-32
5. NIOSH Study
- 6 Mass Study
7. WTC Study
